Scenery best enjoyed from a bicycle
Miura Rent-a-Cycle

Explanation of
Tourist Attraction

Wide, sweeping seas and hilltops with gorgeous views are just two examples of the richly diverse geography of Miura, which is perfect for cycling. An electric assist bicycle allows for easy sightseeing despite the undulating terrain. The bicycles can be returned at any of four sightseeing spots across Miura: Misakiguchi Station, Misakikou, Jogashima, and Miurakaigan Station. How about jumping on a bicycle and experiencing some of the rich nature of Miura has to offer?

selling point

Because you can return the bicycles at any of four sightseeing spots in Miura, you can take a bus or boat on the return trip, allowing you to efficiently see a lot of what Miura has to offer. *There is a fee if the return location is not the same as the rental location.

Jogashima Park

Jogashima Prefectural Park is home to a rich variety of plantlife. Notable blooming peaks are the hydrangeas in summer, maiden grass in fall, and daffodils in winter. From November through April each year the grounds are visited by birds such as the Japanese cormorant, Pelagic cormorant, and Pacific reef heron, painting seasonal scenes.

Misaki Tuna

This morning market is held every Monday in the early hours of the day. Here you will find a lineup of tuna and local fish from Misaki, along with vegetables and eggs from Misaki Peninsula, all of which are sure to contribute to a bountiful spread at your table.
