Dramatic night view of the industrial zone!

Kawasaki Factory Night View

Yokohama & Kawasaki
Kawasaki City
 Tourist Attraction No.
1862

Explanation of Tourist Attraction

Located in the coastal area of Kawasaki city, stands the Keihin industrial district with lighted plants which illuminate the night. This night view is now also referred to as "Night Scene of Factory Plants" and is gaining popularity. There is a tour available to see this night view with a "Factory Night Scenic Navigator", a local city guide who explains the charm of the night view to the tourists in an easy-to-understand manner. Not only is it attracting the hardcore factory fans, but also young to senior couples have been on this tour and enjoyed the energizing scenery, which some claim to resemble a space station.

selling point

The night view of the Kawasaki industrial zone. The night view can be enjoyed both on land and aboard ships, attracting factory night view fans from all over the country.
