Shopping mall with an American East Coast Nantucket port town theme.

Mitsui Outlet Park Yokohama Bayside

Explanation of Tourist Attraction

Next to Japan's largest yacht harbor is Mitsui Outlet Park Yokohama Bayside, an outlet mall where you can enjoy shopping by the sea. Overflowing with port town atmosphere, you can't beat this location. The buildings were modeled after the port town of Nantucket on America's East Coast. With boat sculptures and a white clock tower, you can enjoy the mall's American atmosphere and the crisp sea breeze as you shop. Divided into three zones: "Marine Central", "Marine South" (which faces the yacht harbor), and "Marine East", you can find everything from brand fashion to outdoor wear, sports wear, shoes, kids' clothing, and interior goods at the mall's 75 stores. Find high quality products from famous Japanese and foreign brands and select stores at 30-70% off the original price.
