Mitsubishi Minatomirai Industrial Museum

Explanation of Tourist Attraction

This museum introduces manufacturing and cutting-edge scientific technologies developed by Mitsubishi Heavy Industries. From rockets, aircraft and deep-sea research ships to energy and transportation infrastructure, you can enjoy learning with interactive exhibitions such as simulators and virtual theaters, as well as actual items and models. It is a particularly popular destination for student groups and families.

selling point

Exhibits and videos are available in both Japanese and English. Voice guidance is also available for the introduction of actual technologies in four languages (English, Chinese, Korean and Japanese).

Nearby Sightseeing Spot

Bank of Yokohama Ice Arena

A popular, large international standard rink, 60x30m in size. In addition to the main rink, there are also sub-rinks where even beginners can slowly enjoy skating.

UKIYO-E CAFÉ

The entertainment restaurant "UKIYO-E CAFE" opened in Yokohama in August 2019. Enjoy a performance, while you eat, by the "Shiro-A" group which is now performing around the world.
