# Shonan Kamakura General Hospital

## Medical check-up

Explanation of  
 Tourist Attraction

One day, when we are suddenly struck with health issues, we wonder why. At this hospital, they offer medical check-up for people who believe they're healthy and without symptoms. Shonan Kamakura General Hospital provides cardiac examination by CT, brain examination by MRI, endoscopic examination to check for digestive system cancer, and so on. They also provide risk assessment of cancer with the latest genetic testing and advancements. Examination will be completed in one day, ideal for everyday busy people. For those traveling, the hospital offers interpreters so patients can comfortably receive the medical check-up.
