Mom, Dad, this strawberry is so sweet and delicious, isn't it!?

Tsukuihama Tourist Farm

Explanation of  
Tourist Attraction

Miura Peninsula, which has a warm climate, is famous for its mikan (Mandarin oranges), strawberries, and sweet potatoes. At the gently sloping hills of Tsukuihama Tourist Farm, you can enjoy "strawberry picking" in spring, as well as "mikan picking" and "sweet potato digging" in autumn. You can come with your family, and groups of any kind are welcome. Why don't you come and experience harvesting that gives off the feeling of hiking as well?

selling point

During the period when the farm is open, there is a free shuttle bus which runs between the farm and Tsukuihama station (Keikyu Line).
