## <Industrial tourism>

Famous traditional sake brewing since 1818

# Koganeishuzou Sake Brewing

### Explanation of Tourist Attraction

A long-established sake brewer in Kanagawa celebrating its 200th anniversary. They brew "Sakarimasu" sake using natural spring water drawing from their location. Utilizing the brewery technique to make sake, they brew their local beer, "Sagami Beer" as well as shochu and liqueur. You can enjoy these beverages at the Italian restaurant, "Selvaggina" next door. With never changing passion, the sake is made from Tanzawa mountain natural springs and highly select ingredients offering unparalleled taste and scent.

### selling point

You can also make your original labels. Sake brewery tour includes viewing of the brewery, process description, and tasting. Reservation required.

### Nearby Sightseeing Spot

## Atsugi Herabuna Center

There are three fishing lakes at this facility. The large lake is the most popular with deep water. The small lake is popular as visitors can enjoy various styles of fishing, and the Koi lake is for families. Free pole rentals available.

## Nanbanya Garden (Nanbanya Roasting Factory)

For more than 30 years since its establishment, this café-operating complex has also served as a roasting factory for coffee using charcoal as a heat source, as well as a place for selling miscellaneous Japanese merchandise and food products, with coffee at the center.
