You'll fall in love with the strawberries here!

**TOKYO
 STRAWBERRY PARK**

Explanation of
 Tourist Attraction

This facility lets you go strawberry picking all year round, since the temperature and humidity are controlled electronically. There are 5 different facilities; an Italian buffet style restaurant, the strawberry lab where you can study the taste and the beauty of strawberries, shops, and a kitchen. It's like a theme park with strawberry charm!

selling point

In this electronically-air-conditioned greenhouse, visitors are welcome to pick strawberries all year round. The facility is also universally accessible.

Nearby Sightseeing Spot

Sotoshu Daihonzan Sojiji-Temple

This is the International Zen Konpon-Dojo that was established over 700 years ago. It's largest structure is a famous hall, the "Daisodo", stretching over the area of 1,000 tatami mats! The treasure storage of "Tekiteki-An" houses statues of Buddha and old documents, all of which are priceless cultural assets. Every month, on the specified day, they hold the Zen gathering in English. (If you are traveling in a big group, you need to make an appointment)

Kirin Brewery Yokohama Factory

This is a historic factory which was moved from Yamate in Yokohama in 1926, and subsequently opened to the public. You can enjoy the factory tour, beer samples, and restaurant. (reservation required) TEL 045-503-8250
