Experience making original Japanese confectionery

Kamakura Original Japanese Sweets Temari

Explanation of Tourist Attraction

This is a facility where you can experience making Japanese confectionery in Kamakura. You can create confectionery with popular themes such as the four seasons, flowers, and animals. The course is designed so all ages and skill levels can easily join. You can eat one of the three you'll make, and take the remaining two home with you. The instructors will guide you carefully so that you can make adorable works, which you might get so attached to that you can't eat them!

selling point

You can learn all of this in a classroom setting which has received "original Japanese confectionery" requests from inside and outside of Japan. They have also been featured in numerous TV and magazine productions.
