Tincture like magic, Makuzuyaki.

Miyagawa Kozan Makuzu Museum

Explanation of Tourist Attraction

In 1871, the first Miyagawa (Makuzu) Kozan built a kiln in Yokohama. His works were highly praised at the world expositions, and many were exported abroad across the sea. Makuzuyaki was loved in the world. In recent years, a number of masterpieces that were returned from countries like France, the United Kingdom, and the United States are being exhibited to show their history over the years. Enjoy the highly unique and original skill and the enchanted magical colors of work by Miyagawa Kozan.
