Long-established Gyunabe (hot pot with thin slices of beef and vegetables) restaurants that have been loved in Yokohama

Gyunabe

(Araiya / Ota Nawanoren / Janomeya)

Explanation of Tourist Attraction

[Araiya] Araiya was founded in 1895 when westernization was promoted. In order to provide supremely delicious taste, we select the best brand beef and continuously make efforts to improve the traditional taste. We are looking forward to serving you.

[Ota Nawanoren] Since our founding in 1868, we have been devoted to Gyunabe for 150 years. Please enjoy Gyunabe leisurely along with the view of the garden which is enjoyable in every season.

[Janomeya] Ever since the restaurant was opened in 1893, we have kept the original taste. We continue to seek genuine high quality beef and purchase beef upon close inspection. Please relax and enjoy the traditional taste.

selling point

Gyunabe, which became popular with westernization, is a food culture that represents Yokohama.
