Continued making of porcelain with high artistic value

OKURA ART CHINA

Explanation of Tourist Attraction

Okura Art China is located in the southwest part of Yokohama city in Totsuka district. It was established in 1919 and will celebrate its 100th anniversary in 2019. They make western tableware with high artistic value and its work has earned a higher reputation in the industry of any era. Visitors can see a painting site using traditional skills, tour the display room that exhibits works that were never publicly shown before as well as observe our company history. During the tour, products are available for purchase. For those who are interested in Japanese art, culture and tableware, this sure is a facility to stop by.

selling point

Visitors can see the painting process of western tableware and the works of artistic value that use traditional techniques.
