Worship inside the Ofuna Kannon

## Ofuna Kannon Temple

Explanation of  
Tourist Attraction

When visiting Ofuna Kannon Temple on the western side of Ofuna Station in Kamakura, the eye is drawn to the large, white statue of Kannon. Before this statue was completed, the construction was halted due to war, but it was finally completed in 1960, and stands as a symbol of the Ofuna area of Kamakura. Many people come here to worship, and you can go inside the statue to worship, too.

Nearby Sightseeing Spot

### Taya no Dokutsu Cave (Josen-ji Temple)

You can have a spiritual experience walking through this cave, guided only by candlelight. There are many Buddhist statues carved into the cave wall.

### Kitakamakura Old Private House Museum

An exhibition space of old private houses that are more than 100 years old. You can also see the regular original doll exhibition and the seasonal projects and exhibitions. Showa no Kazoku, Akemi Abe's doll shop, also has a regular exhibition here.
