Nearby Sightseeing Spot

Enoshima

Shonan Nagisa Park Co.,Ltd. (Photo)

With Mt. Fuji to the west, and Sagami Bay to the south, Enoshima has been a famous scenic spot since the Edo Period. Mt. Fuji glows red as the sun sets. It's an amazing highlight! The approach to Enoshima Shrine is crowded with restaurants and souvenir shops. Just by taking a walk is fun.

Asahi Breweries Kanagawa Factory

Asahi Breweries Kanagawa Factory is an "Environment creation factory" of the 21st Century which considers the harmony of the earth, area, and people. Blessed with abundant water and greenery, enjoy the cherry blossoms in the spring and fireflies in early summer. Of course you also can enjoy the factory tour and tasting! (reservation required)
