A motorcycle shop with swords as its symbol

UNICORN JAPAN

Explanation of Tourist Attraction

This is the only shop in the world specializing in the vintage bike, GSX1100S KATANA. At the factory, the parts are hand assembled with expert skill. They even combine their own original parts in the assembly process. Restored vehicles are displayed in the showroom. They are available for purchase and can be taken for test drives.

selling point

Suzuki's Katana still attracts many riders even after its discontinuation. UNICORN JAPAN is open to factory visit requests from bike fans and Katana fans all around Japan and the world.
