## Shin-Yokohama Ramen Museum

### Explanation of Tourist Attraction

Shin-Yokohama Ramen Museum, a food theme park focused on ramen noodles, opened in 1994. Inside the museum is a ramen shop street modeled on a scene from 1958. The street is lined with a selection of ramen shops specializing in Hokkaido ramen, Kyushu ramen, and many more. Muslim-friendly ramen are also available. In addition to the museum where you can learn about the culture and history of ramen, there is also the "My Ramen Kitchen", where you can create your own original ramen with the soup, noodles, sauce, and toppings of your choice.
