Amusement park area where it is possible to experience manufacturing
Goodjoba!! (Yomiuriland)
Good Job Attraction

Explanation of Tourist Attraction

Participatory experiences that differ from conventional amusement parks! Provides a new type of entertainment that is active, educational and competitive, and helps visitors learn about manufacturing while they enjoy the attractions. A total of 15 attractions, including four that appear in Japan for the first time. In addition, a workshop in which visitors can enjoy making original Nisshin Yakisoba U.F.O., a group workshop in which visitors can observe the production of automobiles and other workshops that promote the fun of manufacturing are available every day in each factory.

Nearby Sightseeing Spot

Yomiuriland

An amusement park providing a wide range of attractions, from thrilling rides through to mellow rides. The Bandit jet coaster ride, which utilizes the geological formation of an adjacent hill, is particularly recommended.

Kawasaki City, Fujiko·F·Fujiko Museum (Advance reservations require)

A facility providing hands-on experiences and messages from the creative world of Fujiko F. Fujio, the manga artist who conceived Doraemon. Concentrating on exhibitions displaying valuable drawings, the facility also operates a café with an original menu and a shop selling limited goods.
