Interact with real owls!

Kamakura Owl's Forest

Explanation of
Tourist Attraction

Here you can relax and rest while interacting with owls for as long as you want. You can even take photos with them. The interior looks like a forest. Owls are fluffy and warm. These owls were raised by people since they were babies, so they are used to people. By following the rules, customers can enjoy meeting and interacting with the owls.

selling point

Kamakura Owl's Forest is located near the entrance of Komachi Street. Children love to feed squirrels with sunflower seeds here.
