How is that "shumai (steamed meat dumpling)" made?

Kiyoken Yokohama Factory

Explanation of Tourist Attraction

A guide will guide you through the process in which "shumai" and "shumai bento (box lunch)", foods that Yokohama is famous for, in 90 minutes. The contents can be enjoyed by many people, from adults to children, and include tours of the manufacturing line through glass, videos, and exhibits which cannot be seen anywhere else, regarding things such as the "history of ekiben (station box lunches)" and "the secret of shumai bento".

selling point

At the end of the tour, there is also time to sample freshly-made shumai, side dishes from shumai bento, and Chinese sweets.

Nearby Sightseeing Spot

Shin Yokohama Ramen Museum

A reenactment of the retro townscape of 1958. It is lined with the best ramen restaurants from all over the country. Other than the museum where you can learn about the culture and history of ramen, "My Ramen Kitchen," where you can make your very own original ramen, is also popular.

International Stadium Yokohama (Nissan Stadium)

You can experience a World Cup Stadium tour (with a guide) at the Final Stadium where the finals of the 2002 FIFA World Cup took place. (Paid) Please check the website for the dates on which it will be held.
