## InterContinental Yokohama Pier 8

### ~ Private Fireworks ~

Opened to the public in October 2019, Yokohama Hammerhead is a state-of-the-art mall, hotel and entertainment complex perched on the chic Yokohama waterfront. Situated at the edge of Minato Mirai, Yokohama's famed business district, the Hammerhead hosts 25 stores and a hotel that doubles as the wharf of a large cruise ship.

Exclusive special offer | Luxuriate in a private suite watching a fireworks display set off just for you

### Private fireworks and five-star hospitality

What better way to settle into your gorgeous suite at the five-star hotel InterContinental Yokohama Pier 8 than by watching a fireworks display from your balcony in your honour? This modern hotel has top-class amenities to meet your most exacting needs, not to mention sumptuous catering including market-fresh sushi prepared by the in-house itamae - the sushi master.

■ Duration: The fireworks display lasts around five minutes. It cannot be put on if wind speeds reach 22mph. In such an event, part of the cost will be required.
