

# Private Kanagawa cruises

## A | Yokohama Port and Tokyo Bay

Yokohama is one of Japan's historic ports – it was one of the first to reopen to westerners at the onset of the Meiji Restoration. It's still a working port these days, but with its waterfront parks, chic shopping districts and residential towers, Yokohama has become a popular destination for tourists and locals alike. This private cruise will take you out onto the calm blue waters of Tokyo Bay for a spot of sight-seeing.

### Exclusive special offer

Board a Monaco-style cruise boat for an exclusive trip across the bay.

Tour includes private Geisha experience or Japanese Taiko performance.

#### Information

Location:  
Yokohama, Kanagawa

## B | Sagami Bay

From your base at the luxurious Malibu Hotel, you'll set out on a grand boat tour of the beautiful Sagami Bay, which boasts some of the most celebrated views of the ever-present Mt Fuji.

Your cruise will take you around the Shonan coast, past the historic Morito shrine at Hayama, and on to Enoshima, a tiny island dedicated since time immemorial to Benzaiten, the goddess of music.

※For safety reasons, the sails will not be set.
